We require that all pets have current Rabies, DHHP, and Bordetella (kennel cough) vaccinations or titer tests. Bordetella is not part of a titer test, nor is it a standard vaccination, but it must have been administered for your pet to stay at pupculture. **Please provide proof of vaccination or have your vet fax documentation directly to us. We CANNOT admit your pet without this.**

Should there be any type of emergency that causes injury to your pet we will try to contact you. In the event that you cannot be reached, we will use our best judgment regarding course of treatment. Should your pet hurt itself, another dog, or a person, your signature on this form acknowledges that pupculture shall not be held responsible in any way, both financially and legally.

I have read this form in its entirety and all statements are true to the best of my knowledge.

CONTRACT, RELEASE AND CREDIT CARD DEBIT AUTHORIZATION

This is a Contract between Pup culture (hereinafter referred to as "Facility") and the pet owner whose signature appears below (hereinafter referred to as "Owner"). By signing this contract and leaving said pet with the Facility, Owner certifies to the accuracy of all information given about said pet in this contract and accompanying registration form and specifically represents that he or she is the sole owner of the pet, free and clear of encumbrances.

If Owner is not a member, owner agrees to pay the rate for day care at the time of check in, in effect on each date the pet is checked into the Facility as listed in the Facility. Members may pay at the end of the day or have their credit card billed weekly. Owner further agrees to pay all charges for special services requested, and all veterinary costs for the pet during the time said pet is in the care of the Facility.

The Facility shall exercise reasonable care for the pet delivered by the Owner to the Facility for daycare, grooming and/or bathing. It is expressly agreed by Owner and Facility that Facility's liability shall in no event exceed current chattel value of a pet of the same species of the pet left at the Facility. The Owner further agrees to be solely responsible for any and all acts of behavior of said pet while it is in the care of the Facility. Owner assumes any expense or liability for injuries that Owner's pet may inflict upon any human or other pet while in the Facility.

If a pet left in daycare is not picked up by advertised closing time listed on Facility's website and on the Facility's premises Owner agrees that the said pet will stay for boarding. Owner further agrees that earliest the pet may be picked up is the next day's advertised opening hours. Owner agrees to pay all charges incurred.

If the pet becomes ill or if the state of the pet's health otherwise requires professional attention, the Facility, in its discretion may engage the services of a veterinarian or administer medicine or give other requisite attention to the pet and the expenses thereof shall be paid by the Owner. Owner gives consent to the Facility to act in Owner's behalf in obtaining emergency or any veterinary care at Owner's expense if deemed necessary by the Facility or any of its employees. Owner indemnifies and holds the Facility harmless for said expenses.

If the pet is having any type of heart condition or other serious chronic and/or life-threatening health conditions Owner must make sure Facility is aware of it. Failure to do so results in Facility not being liable for the wellbeing of the pet while being on premises of Facility.

Owner specifically represents to Facility that the pet has not been exposed to Rabies, Distemper or Bordetella within a thirty-day period and spot-on flea treatment for 24-hours prior to being left for boarding, daycare, grooming, or bathing.

All charges incurred by Owner shall be payable when billed by Facility at the address listed in this contract. As a result of signing this Contract, the Owner is obligated to pay the full amount for boarding, daycare, grooming, bathing or any other services provided by Facility without any exceptions.

Owner understands that membership is not refundable. In the case that Facility determines that for any reason the Owner's pet should not return to the Facility, membership will be refunded by recalculating the daycare, drop-off and pick up rates at a non-membership rate and by returning any balance remaining.

This contract contains the entire agreement between the parties. All terms and conditions of this contract shall be binding on the heirs, administrators, personal representatives and assigns of the Owner and the Facility. Any controversy or claim arising out of or relating to this contract, or breach thereof, or as the result of any claim or controversy involving the alleged negligence by any party to this contract, shall be settled by arbitration in accordance with the rules of the American Arbitration Association, and judgment upon the award rendered by an arbitrator may be entered in any Court having jurisdiction thereof. The arbitrator shall, as a part of his/her award, determine an award to the prevailing party of the costs of such arbitration and reasonable attorney's fees of the prevailing party.

Credit Card Debt Authorization is required for dogs being delivered at the end of the day and is also available to members wishing simpler checkout.

I, _____ whose address appears in the registration form attached to this authorization, hereby authorizes Pup Culture to debit my (circle one) Visa MC for charges incurred in connection with the care of my dog.

My account number is:

Account Number: _____

Expiration Date: _____

Billing zip: _____

3-digit security code _____

I understand that such debiting will regularly occur for as long as I bring my dog to pup culture. Further, I understand that should my card be declined, I will still be responsible for payment of services and that such payments must be made before my dog can return.
